**From HOD's Desk**

*It's with great pride and immense pleasure, that I am HOD of BSP Electrical Dept, the new year issue of the Newsletter that has an interesting topic "Educational Institutes-are they churning centers*

**Electrical Engineering Department**

**VISION:** To develop competent diploma Electrical Engineers by imparting sound technical knowledge to serve the society.

**MISSION:**

1. To create conducive learning environment for gaining the knowledge of Electrical Engineering with its applications.
2. To develop competent technocrats in Electrical Engineering by providing opportunities of self-learning.
3. To inculcate technical skills in Electrical Engineering by providing facilities to serve the society.

**PEO'S:**

**PEO 1.** Provide socially responsible, environment friendly solutions to Electrical engineering related broad-based problems adapting professional ethics.

**PEO 2.** Adapt state-of-the-art Electrical engineering broad-based technologies to work in multi-disciplinary work environments.

**PEO 3.** Solve broad-based problems individually and as a team member communicating effectively in the world of work

**DUSSEHRA POJAN:**

**10 OCT 2022:**

Our Electrical Department Organize Dussehra Puja in that Dussehra, also called Dussehra or Vijayadashami, in Hinduism, holiday marking the triumph of Rama, an avatar of Vishnu, over the 10-headed demon king **Ravana**, who abducted Rama's wife, Sita. Dussehra 2022: Here's all you need to know about whether Dussehra, also known as Vijayadashami, will be celebrated on October 4 or 5 this year, history and significance of the Hindu festival and puja muhurat along with celebration traditions. On That Great Festival Our All Department Team with HOD Mr. Pokharkar Sir celebrating dussehra puja.

## **Electrical Engineering Department Organize Freshers Party :**

**16 NOV 2022:**

Electrical Engineering Department Organize Fresher's Party for First Year Students on 16 Nov 2022. That Moment Our respected HOD Mr. Pokharkar Sir they Wonderful speech for new coming Students in the first year. All students really lots of enjoy on that day. Fresher parties generally consist of dance programs, speeches, drama, etc. and also food. They are to introduce the fresher's to their senior as well. The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college.

## **Electrical Engineering Department (JSPM's) Science Park Visit :**

**30 NOV 2022:**

Our Electrical Engineering Department Organize a Science Park Visit for First Year Students at Pimpri Chichwad. Pimpri Chinchwad Science Park is one of the latest tourist attraction and activity based Science Centre of Pune region. The Science Centre houses Galleries on different themes of Science & Technology, Activity area, Inflatable Taramandal and an Auditorium. It also has a open air Science Park spread over 3.5acres. Most of the exhibits in the science centre and science park are interactive in nature and visitors can explore science in an entertaining way. The Centre also conducts many Science shows such as 3D Shows, Tramadol Shows and Live Demonstrations for visiting people and student groups. It also organizes activity based programmers and workshops for students and teachers.

## Electrical Engineering Department Organize PIP Session:

**05 DEC 2022:**

Our Electrical Engineering Department Organize a Performance Improvement Programme (PIP) session for All Electrical FY, SY, and TY Students. Performance improvement plan (PIP), also known as a performance action plan, is a tool to give an employee with performance deficiencies the opportunity to succeed. It may be used to address failures to meet specific job goals or to ameliorate behavior-related concerns.

Outcomes may vary, including improvement in overall performance; the recognition of a skills or training gap; or possible employment actions such as a transfer, demotion or termination
